SUBJECT: **GROUP HOME PROGRAM MONITORING REPORT – ORANGE
COUNTY CHILDREN'S FOUNDATION – EMANCIPATION INSTITUTE,
HARBOR CITY CHILDREN'S FOUNDATION, PLACENTIA HOUSE**

We have completed a review of Emancipation Institute, Harbor City Children's Foundation, and Placentia House Group Homes operated by Orange County Children's Foundation. The Agency contracts with the Department of Children and Family Services (DCFS) and the Probation Department (Probation).

Emancipation Institute, Harbor City Children's Foundation, and Placentia House Group Homes are each six bed facilities. Each Group Home provides care for boys ages 13-17 years who exhibit behavioral, social, and emotional difficulties. At the time of the monitoring visit, Emancipation Institute Group Home was providing services for five Los Angeles County DCFS children. Harbor City Children's Foundation Group Home was providing services for six Los Angeles County DCFS children. Placentia House Group Home was providing services for four Los Angeles County DCFS children and two Orange County children.

Emancipation Institute Group Home is located in the Second District. Harbor City Children's Foundation Group Home is located in the Fourth District. Placentia House Group Home is located in Orange County.

"To Enrich Lives Through Effective and Caring Service"

Scope of Review

The purpose of the review is to determine whether the Agency is providing the services as outlined in their Program Statement. Additionally, the review covers basic child safety and licensing issues, and includes an evaluation of the Agency's Program Statement, internal policies and procedures, child case records, a facility inspection, and interviews with children placed in the Group Home at the time of the review. Interviews with children are designed to obtain their perspectives on the program services provided by the Agency, and to ensure adherence to the Foster Youth Bill of Rights.

Summary of Findings

Emancipation Institute Group Home is providing the services as outlined in their Program Statement, and there are no areas where improvements are needed at this time. Harbor City Children's Foundation and Placentia House Group Homes need to address the following deficient areas:

Harbor City Children's Foundation needs to assess children for needed services within the first thirty days of placement.

Placentia House needs to develop Needs and Services Plans that are comprehensive, and include long and short-term goals; maintain current court authorizations for all children taking psychotropic medication; provide children with the required minimum weekly allowance; and encourage and assist all children in maintaining life books/photo albums.

Attached is a detailed report of the review.

Review of Report

We discussed our report with the Agency's management. In response to the recommendations made in the report, the Agency's management completed a corrective action plan (attached) which we approved. We thank the management and staff for their cooperation during our review.
